

ATTENTION

PINEVILLE COMMUNICATION SYSTEMS CUSTOMERS

Tuesday, May 9th and Thursday, May 11th 2023 between 5:00-8:00 AM Pineville Communication Systems customer's will conduct a scheduled maintenance to our facilities. This work is being conducted as part of our preparation to move facilities to our new operation. As we conduct this work PCS customers will see a short interruption in their service as we process this work. This effects Internet customers only!!!

PCS subscribers please do not report your outage to our after-hours service until we are beyond the times we have outlined above. We appreciate your business and apologize for any issues these scheduled maintenance outage may cause. We strive to conduct this work when it will have the least impact to those we serve.
